

LULLABY SYSTEM LIMITED WARRANTY DETAILS

The Proto3 GE1150 Pest device Generator is warranted to the original purchaser against defects in material or workmanship for a period of Three (3) years from the date of initial delivery. All other system amenities, Leakage detector, Smoke alarm, fire extinguisher, Temperature probe, Infrared Thermometer, Ground Fault Tester, Wall Stud Finder and shielding are Warranted as labeled by their manufacture, non labeled items warranted by Wavelength EMTS for 90 days from purchase date.

During this warranty period, Wavelength will at its option, replace or repair the defective unit. The warranty does not apply to defect resulting from abuse, neglect, accident, unauthorized repair, alternation, or unreasonable use of the Pest Device Generator.

Any implied warranty arising out of the sale of this product, including but not limited to implied warranties of merchantability and fitness for purpose are limited to those noted herein. Wavelength EMTS shall not be liable for incidental or consequential damages.

Any defective or damaged Proto3 Generator assembly should be returned to Wavelength for warranty service along with original proof of purchase and return material authorization (RMA) number. An RMA number can be obtained along with a return shipping address by contacting Wavelength as noted below. Repair or replacement of the unit is at the sole discretion of Wavelength.

Wavelength will repair, service or replace your Generator in a quick and timely manner.
